MESSAGE NOTES

Prayer

MAY 31

KEEP YOUR HAND ON ME

And God granted him his request.

- 1 Chronicles 4:10b

Two Principles for Experiencing God's Hand

1. God's work is only accomplished by His power - not ours.
2. God's work can be hindered by our lack of faith.

When God's hand is on us to do His work, He intervenes...

- to make provision for all we need
- to encourage us with His presence and confidence
- to defend and protect us from any human or spiritual evil
- to overcome any of our inadequacies or limitations by His power and grace

DISCUSSION:

We are a movement that connects people into strong relationships with Jesus and each other through deliberately simple, conversational-style churches.

Use the following questions to continue the conversation:

- Why is it so hard to move out of our comfort zones?
- When have you been pressed to move out of your comfort zone?
- When you took a step of faith, what was the result?
- What is a new move or step of faith you need to take?

NEXT STEPS:

COMEBACK

We're making plans to meet again.
